The Mahabharat is a long epic story that was written around 400 BC. It's a drama about a dispute between two groups of people, the Kauravas and the Pandavas, who were once friends but later fought with each other. The Hindu religion has been based on this story since its inception. What makes this particular story so interesting is how it's one of the few texts from India that survived from ancient times... This is a blog that discusses Indian, Hinduism & culture related issues which might interest people. It includes interesting information, pictures and videos from all over the internet. Type of website: General Purpose Updated time: Daily, except on Sundays Content Available: Yes Name :Yogi Vemana University Website :www.yogivemauniversity.ac.in/
